

Cleaning for Health

Training Program

Sponsored by

PlanetClean®
Your Source for Clean™

Defend against infections and disease!

The Cleaning for Health program teaches individuals in the cleaning industry practical ways they can remove and control the spread of germs and disease, making the buildings they clean safer and healthier, and is perfect for individuals who work in:

- ✓ Health Care Facilities
- ✓ Contract Cleaning Companies
- ✓ Hospitality Industry
- ✓ Public and Private Schools
- ✓ Property Managers
- ✓ Anyone interested in healthier environments

**Cleaner!
Safer!
Healthier!**

You'll learn:

- What are microbes?
- How are germs spread
- Body Substance Precautions
- How to choose the right germicidal cleaner
- Infection control with cleaning techniques
- Prevent cross contamination
- Cleaning high touch surfaces
- Blood spill clean up
- Hand washing procedures and more.....
